provides the information at a county level.

Report to be submitted. Treasurer Todd M stated District had a balance of \$750.92, District paid \$280 in expenses, and received \$346 (\$21 of which was from directory sales) in group donations. District Balance: \$816.22 Accepted as stated.

DCM REPORT:

DCM Pete D addressed a few issues he has encountered at meetings. Pete provided a very useful

information packet to all GSR's present, containing import information about A.A. that should be relayed to all groups. Pete discussed the need for the use of materials provided directly from A.A. so each group's principles are based on facts about the program and not hearsay. This posed the question of CMIA addressing the importance of discussing this topic, to keep new GSR's informed.

OLD BUSINESS:

Rick C introduced motion for reimbursement for travel expenses for PI/CPC committee.

Bill moved that $.25 \notin$ per mile of service work to be reimbursed to PI/CPC committee, which would be taken from already approved \$50.00 seed money, with seed money being replenished by treasurer with receipts.

Ron C posed question of reimbursing one committee and not DCM position.

Motion discussed.

Motion reintroduced for vote.

Motion passed with split vote.

Minority requested more information with question pertaining to final costs to District? Committees' responsibilities when accepting position? How many persons does compensation entail?

The topic of how we elect trusted servants to carry the message, so worry of reimbursement money being misused should be of concern.

Rick discussed topic of how committees worked in the past, with multiple members, and reminded district we have not been fortunate to have committed members in awhile.

Bill motioned District amend DCM travel expenses, which currently only include travel to CMIA, to include travel within District.

Motioned passed with split vote.

Passed motion was discussed around table of pros and cons of reimbursement practices and what falls into service work responsibilities.

Ron C reintroduced topic of DCM being split into several positions, for ease of distributing materials and messages.

Roger Cexplained how many of the District's had multiple DCM's in the past but in the service manual it states only One DCM per District can vote, so many of the Districts with multiple DCM's were reduced to One.

Bill posed question of position to GSR's present. No response.
