Bill notes that this and all materials received are for the use of the District and the Groups in the District. If your Group would like to know what materials are available, attend District meeting or contact us

The District is starting to compile Group updates for the new directories that will be printed in Feb. We need the assistance of the Groups to make sure we have accurate up to date information about your Group prior to printing.

The next District workshop will be held sometime in April and we have been getting some excellent suggestions for the theme.
