Welcome to service for the District to our new officers and our gratitude and thanks to those officers that served us so well.

New Business:

District 10 will be once again hosting the Jan. CMIA assembly in Corunna at the VFW Hall. District will provide the entrée, beverages and salads. We need the support of the groups to provide side dishes (potato salad, baked beans etc.) and desserts. We have

received \$600.00 from CMIA (Area 32) to help offset the costs and with the support of the groups in District 10 we will once again host a successful area assembly.

District is planning a spring workshop to be held at Christ Episcopal Church in Owosso on Saturday March 17. The theme of the workshop will be "The Home Group". Format and participants to be determined at Feb. District meeting.

Discussion:

Todd M asked if we are talking about the Grapevine at our meetings and what can the groups do to help promote interest in this valuable tool. Todd is willing to work with the DCM's in the district to get the word out about the Grapevine. The district will provide Todd with Grapevine materials from GSO and The Grapevine, Inc to help him in his position as District Grapevine Representative. Todd regularly attends Grapevine Committee meetings at CMIA and is looking forward to your ideas and suggestions at District meetings.

How can District 10 help Area 32 (CMIA) financially was presented as a discussion item. After some discussion it was decided that CMIA finances were not Districts business; that the fate of the Area is ultimately the same as the fate of the District: the group holds the power; if the groups support Area, area will be just fine; if the groups support District, district will be just fine.

Next District meeting:

The Friday Night Group volunteered to host the Feb, 2007 meeting. The meeting will be held at St Mary Catholic Church, 700 Columbia Dr, Durand on Friday, Feb 2, 2007 at 6:30PM.

Meeting Adjourned with the Lord's Prayer

Thanks to the Way Home Group for hosting.
