I will be in attendance at the next CMIA in Standish on 8/7/2022. DCM report approved as read

TREASURER'S REPORT:

Bill D read webmaster's report:

We are now published in the Meeting Guide app. In the process of notifying other sites posted there to remove our meetings from their meeting feed. Part of connecting to this app is that if our meetings appear on another entity's feed, our duplicate listing will be ignored. This causes problems with prior listings not being current, incomplete or in error. Slowly working on redesign. Hoping to launch late September or early October.

Always looking for someone to take the webmaster task. If you know someone that has the skills to do the work, or would like to learn.....

OLD BUSINESS:

It was brought to the attention of the board that the potluck for easter was a much better turn out than the workshop. It is to be considered in the future to combine the workshops with more lighthearted events for better turn out.

The picnic is September 11th and we are in need of two grills.

Conversation on the directories are being tabled until the September district meeting

NEW BUSINESS:

Peg has developed a directory and guidelines for the hotline and would like to share this responsibility with other members. We also need to set up the voicemail.

Kim has been elected alternate registrar and is making an effort to clean up the GSO information on the CMIA webpage.

August is the 20 year anniversary of District 10!!!

NEXT MEETING:

The next District meeting will be 10 am prior to the Shiacoaa picnic at Bentley Park in Owosso
